

Endangered Species Project Rubric

Student Name: _____

Endangered Species Name: _____

*Students are conducting research for this project in Probe class each week but may have to work on it at home as well to get it complete. This project is a culminating activity for the research component of Probe. PLEASE email me at toni.lovvorn@bremencs.com if you have any questions.

Due date: Last week in October.

| "Expert Project" Requirements: | Possible Points | Points Earned |
|---|------------------------|----------------------|
| Your name and the name of your endangered animal clearly displayed or neatly labeled on your project. | 20 | |
| Three or more animal adaptations labeled or shown on project | 20 | |
| Exhibits or shows specific habitat details (either in words or pictures) | 20 | |
| Neatness / Spelling (Shows you put time and effort into creating project) | 20 | |
| Creative Use of Resources Think out of the box! (Have fun and be creative... Use items from around your home. Cereal boxes, magazines, etc. <i>But MUST BE SMALL ENOUGH FOR STUDENTS TO CARRY THEMSELVES</i>) | 20 | |
| Total Points | 100 | |
